Nigel/Bill,

Can you clarify what is going on here. About 6 months ago, Operations pushed Engineering to change the lights and air vents previous lights and air vents were waaaaaaay too expensive. Now we have 3 years supply of the old expensive parts. I'm con

Regards,  
David

Harvey,

We have stock for about 3 years, Ok to keep some old ones in case, but we should be reducing inventory first.

Mario,

Daryl,

I thought we were going to move to the new parts and not use up all the old stock in case somebody wanted/needed replace

Just a little curious, why we are going backwards??

HS

Harvey

Can you please provide a standard email that we can use to make D4634-xxx panels at Rev. F until old stock parts are used up  
We will also need same type document to produce D4635-xxx panels as per Rev. E until old stock parts are used up.  
**We will not use unmatched parts** (old/new on same set panel ) as old stock diminishes.

Daryl
